SKILLS

- **Java**
- **HTML, CSS, JavaScript**
- **Python (Basic)**

EDUCATION

- Computer Science Engineering | RCC Institute of Technology
  CGPA: *7.19*

- XII (ICSE) | Seventh Day Adventist Sr. Sec. School, Kolkata**,** West Bengal
  89.5%

- X (ISC) | | Seventh Day Adventist Sr. Sec. School, Kolkata**,** West Bengal
  87%

ACADEMIC PROJECTS

- **Movie Streaming/Downloading Application**
  Technologies: React, Tailwind, Node.js, MongoDB, Cloudinary, Multer

  - Developed a full-stack movie streaming and downloading platform using React for the frontend and Node.js for the backend.
  - Implemented user authentication for secure access, allowing users to log in and manage their movie downloads and streaming.
  - Managed movie uploads and streaming efficiently by integrating Cloudinary for video storage.
  - Stored and organized user and movie data in MongoDB, ensuring smooth data retrieval and scalability.

ACHIEVEMENTS / HOBBIES

- Got selected as the `Student of Year` in school, for the year 2021-22.

- Represented school in inter-School Debate competition.
